Adventure Team Challenge

This rotational teambuilding event incorporates traditional team building activities with a less intense, recreational-style of program. The **Adventure Team Challenge** is specifically designed for groups that are self-motivated, high functioning, and see the value of teamwork. Easily adapted to be a themed event or a friendly competition, we will develop a program that is tailored specifically for your group, its goals, time constraints, physical abilities or liabilities. Please feel free to contact Eriq Powers with any questions.

- A liaison from each small team will be trained prior to the rotations, in order to make sure the group has clear instructions.
 - A facilitator will start the event with some warm-up activities
 - Groups will have different roles to fill (leader, scribe, time-keeper, goal-keeper, liaison).
 - Facilitators will be available to answer questions and check for safety.
 - Groups will rotate from activity to activity, working on communication, problem-solving, and building trust among their members.
 - The GROUP CHALLENGE will bring everyone together to perform a challenging task...
